**A MESSAGE FROM THE REVEREND ALISON HAMPTON**

When we lived in Somerby, Bob (my husband) was always complaining about how hard the village was to find on a map. It was always just on the edge of a page, sometimes even in the crease, making it difficult for visitors to locate us. My daughters, amused by his irritation, eventually decided to take matters in their own hands and one day, “Bob’s Map” arrived. His very own Ordnance Survey map with Somerby right in the centre.

Whether Somerby is in the middle of the map or not is, of course immaterial. It still exists and all those searching for it can find it easily on Googlemap or the like. But there is something about where we live being the focus for all we do. Where we live is the base for what goes on in our lives, the heart of our lives. It isn’t just about where it is though. In the children’s book, the Wizard of Oz, Dorothy has become bored with her life. She finds Kansas drab and dull, the people boring and uninteresting. It is only when she finds herself in a strange new world that Dorothy realises that, without the people she loved, the essence of her existence had gone. As she clicked her red shoes, the words that carried her back to reality were “there’s no place like home.”

Leaving aside all the functional details of our homes, it is the place we go to when we need support and comfort. A good relationship with those who live there allows us to involve them in daily decisions, and as we or they move away, it becomes a satellite station that we can call back to by letter, email or phone, proving valuable reassurance.

The support we find in our friends and family is magnified when we include Jesus in our list of people we can call on in times of need. In his Gospel, St John tells a wonderful story about how the disciples were worried that Jesus would fall off the map once he wasn’t with them. That famous doubter, Thomas, asked Jesus how they could possibly find the way to him. Jesus replied, “I am the way, the truth and life”. In saying that he was saying, keep me in mind and you will never be lost. We are all on Jesus’ map, but is he on ours?

So, by having Jesus there on the map we are much more secure and ‘grounded’ and won’t get so lost or frustrated as Bob always did. There is a wonderful hymn, which has now fallen out of favour as it lacks imagination and subtlety. Nevertheless, “Blessed Assurance, Jesus is Mine”, expresses the heart of the Christian Gospel of salvation, that Jesus is always there.

Yours, **Alison**

As many of you know I had a devastating diagnosis on Aug 24th of a cancer which is very advanced. This, as you can imagine, has affected my life dramatically - it was unexpected and with few symptoms evident.

My colleagues at both schools have been incredibly supportive. However, I was overwhelmed by the cards, flowers and messages of support from so many of the members of the Arnesby and Mowsley communities.

Although I am trying to keep a positive view of my situation and trying to find a reason why this has happened, so that good comes from it, all your support and prayers assist me greatly.

I thank you very sincerely,

Headteacher: *Diane Miller*

The Local Authority has been supporting the schools in the absence of Mrs Miller, and has now appointed an Executive Head for the Federation, to support us over the next two terms. Mrs Marlene Branagh has thirteen years of experience of headship in two Leicestershire schools and is well known to us through our local family of schools. She is very much looking forward to working with both schools.

**HUSBANDS BOSWORTH C. of E. PRIMARY SCHOOL** 01858 880212

I would like to take this opportunity to introduce myself. My name is Matthew Bown and I am the new Headteacher of Husbands Bosworth C of E Primary School. I would like to say a big thank you to all those associated with the school and community for making me feel so welcome in my first few weeks in post. Husbands Bosworth is a wonderful school in a beautiful village. I look forward to the school being involved in village life, I believe this to be an important aspect for a small village school. This month we are working with All Saints church in preparing to celebrate the harvest as well as supporting the village conker championships on Sunday 11th October. We have continued our school netball team this term and have begun a school football team. We look forward to playing local schools in these sports very soon.

Mr Fred Goodman retired in 1892 from the post of "Rural Postman for Little Peatling and Bruntingthorpe" and a Mr Charles Richard Clarke succeeded him but only after taking an oath before a Lutterworth magistrate! DID YOU KNOW that a postman was then paid 8 shillings a week (40pence). We are still receiving information on the Higgs family. Mr Lewis Higgs kept the only shop in 1956 and it was previously run by his mother. Mr Thomas Higgs kept a grocers shop in 1892. Mr Wm. Higgs was a Carrier in 1840 (to the White Swan, Leicester, on Wed and Sat)

**ARNESBY LOSEBY CHARITY TRUST:** Loseby Wood Open Afternoon

On August Bank Holiday Monday about 40 people came to view the allotments and the new woodland we planted in 2006. We were lucky with the weather as it was a warm sunny day. Visitors explored among the trees and ponds, and some were rewarded with sightings of a buzzard and a dragonfly. Great fun was had trying to identify who worked on which allotment plots. The two best plots were disclosed as those worked by Paul & Chris Williams and Graham Middleton.

Allotment Waiting List:

The waiting list for allotments is currently quite short, so if you want your name adding to the list, please contact Monica Dowson, The Granary, Arnesby, Tel: 2478296

*Monica Dowson*

We recognise that a lot of work is done by Monica in keeping the wood and allotments accessible, strimming and clearing and arranging for heavier work to be carried out throughout the year, for us all to enjoy. Thank you Monica.

*John Winterton*
