A MESSAGE FROM REVEREND ALISON HAMPTON

The New Year already seems to be advancing into an old one, but nevertheless I hope it is still offering you feelings of optimism and excitement. It is always good to take stock, see how things can be done differently, and improve the quality of life by making changes. As well as looking forward, the passage of time brings with it an opportunity to look back at the old year, think about what we have achieved and perhaps what we have messed up. The German Christian mystic, Thomas a Kempis, writing around the time of the 13th Century made a timeless observation for all of us making resolutions by saying; *"You cannot escape it no matter where you run, for wherever you go you are burdened with yourself. Wherever you go, there you are."*

Our post-Christmas break took us to the Forest of Dean, where we sought to keep warm by walking with friends amongst the ancient trees. We were amused to stumble across a group of rudimentary huts, made from branches and twigs. They were all individually crafted, and we speculated that a group had built them on a team building training programme. One or two had collapsed, but some seemed to be literally weathering the storms, standing firm. It was easy to see where some of the builders had gone wrong: they had failed to build a firm structure on which to develop their construction.

When I looked at our holiday photos, I was reminded of a poem by Seamus Heaney, *Scaffolding*, in which he uses the metaphor of building to suggest that building is an important feature of our lives and needs to be worked on over a period of time. Once this initial work is done and has formed its shape, it can go on to last forever, withstanding the storms of life.

"Make sure that planks don't slip at busy points,
 Secure all ladders, tighten bolted joints"

It seems to me, then, that for our resolutions to have any chance of success we need to use the experience of the past to lead us into the future. We need to look at our authentic selves and at the scaffolding that hold us up. Does it need some maintenance? What will happen when it is taken away? During his last few days on earth, Jesus was keen to reassure his disciples of his constancy. The disciples had forgotten all that they had been learning, the way he had taught them of the difference he could make to people's lives, and had begun to worry about what was to happen once Jesus was no longer with them. The response is very clear as Jesus says, "I am the way, the truth and the life". What he was telling them, and what he says to us today, is that faith in him will provide the scaffolding we need to lead us into a full and refreshing life.

Happy New Year! Alison

Jesus said "I am the way the truth and the life".

Many thanks to all who sent cards, gifts and messages to me in hospital and after I came home. Thanks also to those who have helped me so much. It is very much appreciated and has been a big help knowing so many people have shown so much care and concern for me.
 I am pleased to say I am now recovering well and hoping to get my next operation over soon so that I can then get back to normal. Thanks again, Erica.

We have all enjoyed a good break over Christmas, although it is not always a rest! Meeting with family and friends is always an active and exciting time. We ended the Autumn Term with a super two weeks of Nativity Services, Carol Concerts, parties and coffee mornings. It was excellent to meet so many of you at our Community Coffee morning – the children look forward to demonstrating and discussing their achievements with our visitors.

**Arnesby children have been re-telling bible stories as if they were actually present and here is Caitlin Mee's version of the feeding of the 5000: You'll Never Guess What Happened to Me Today.....**

I saw Jesus! And I couldn't believe how many people were there, maybe 5000! When I got as close to Jesus with my lunch in my hand everyone looked at me. Then they looked at my lunch. I hid my lunch behind my back. Then Jesus asked me to share my lunch with all the 5000. I thought he was mad! I said I only had five loaves of bread and two small fishes. Jesus put his arms around me. I gave him the loaves and the fish. Then he looked up into the sky and broke the food into little pieces. He gave the pieces to his disciples and they gave them to the crowd. It kept going on and on until it got to the end of the crowd. I thought it was a miracle! And this is what happened to me today!

SUNDAY IN THE BENEFICE - A guide to the church services on offer.

From the back page of the Hexagon it is obvious that a variety of services are held each week. What do their different names imply? Perhaps this brief explanation will help answer any queries or clarify any confusion of style or content.

The rota of services aims to give each parish regular and differing forms of worship each month, held at different times of the day. Some variations occur where individual parish church P.C.C.s have agreed that the interests of the village are better served by minor alterations in times and format.

All 8.30 am services are 'quiet' services (i.e. without hymns). The form of service used when it is a Holy Communion will be either that of the Book of Common Prayer (1664) or from Common Worship, the prayer book's replacement introduced by the Church of England in 2000.

Morning Prayer from Common Worship is a service without music (see below)

Morning Praise and Morning Prayer are the same service – one that makes provision for hymns if desired. When Morning Prayer is being observed there will be no hymns, where it is designated Morning Praise they will be included.

9.30am Holy Communion services include hymns.

Family Communion Services are Common Worship Holy Communion services with familiar hymns and, often, supervised creative activities for children.

Benefice Communion Services (held once a month and 'rotating' among the villages) are in the same style as Family Communion services and an opportunity for all parishes to worship together.

They are always lively and well-attended services and with coffee and light refreshments to follow provide an ideal occasion for intermingling with friends.

All Age Worship is a family-orientated, shortened service based on the youth-friendly alternative provided by Common Worship; generally including some active participation for children.

Teatime Service : A short (unstructured) service which includes visually-enhanced story, prayers and songs followed by afternoon tea. Something for all the family: adults, teenagers, toddlers.

Evening Praise is the Common Worship equivalent of the Book of Common Prayer's Evensong; whichever version is used hymns are included.

The choice is there – make your selection!

CAROL SERVICE Sun 21st Dec

St Mary Magdalene Church was packed for the annual carol service. Carols were led by the Wigston Band and readings by several villagers. The collection raised £170 which was sent to the local branch of the Salvation Army to help with their Christmas appeal. Following the service sherry and mince pies were served to the congregation. *David Austin*

Over one hundred people gathered on the green on Christmas Eve. Carols were sung with gusto, fuelled with minced pies and mulled wine! Many thanks to all who helped in any way, and to those who attended.

SHEARSBY CHRISTMAS FAYRE Sat 6th Dec

Despite the crisp morning a constant stream of visitors turned up at the village hall, no doubt enticed by the appetising smell of cooked bacon. Over £700 was raised for church funds. Thank you to all who supported this event, or helped in the kitchen or on stalls. *Ann Charles*

BRUNTINGTHORPE HERITAGE GROUP

The group was formed in 2008 and does not hold formal meetings. Our objective is to provide a secure archive for historical and future village memorabilia including photographs, personal memories of the village and changes in the fabric of the village regarding dwellings or businesses.

We have started with very little and would welcome any input from past or present residents. All photographs or documents would be copied. The archives will form the basis of a display which would be available for suitable village events. Please contact Mary Arkell (0116 2478687).

January has seen a time of change for us at Husbands Bosworth School. Another period of transition as we wait to appoint another new Head Teacher, hopefully to start after the summer holidays.

We are eagerly awaiting the arrival of a new mobile classroom in February, meaning as from September 2009 the school will become a one term entry school.

In November our Reception children were entered into a national poetry writing competition. All seven children's work was judged to be outstanding and has been included in a book which is to be published in March. Well done to everybody!

We have all enjoyed a good break over Christmas, although it is not always a rest! Meeting with family and friends is always an active and exciting time. We ended the Autumn Term with a super two weeks of Nativity Services, Carol Concerts, parties and coffee mornings. It was excellent to meet so many of you at our Community Coffee morning – the children look forward to demonstrating and discussing their achievements with our visitors.

Examples from the Mowsley Poetry Books:

"Afternoon metaphors" by Eve Milner

Afternoon comes with a dog squealing.
Afternoon comes with doors slamming.
Afternoon comes with trees whistling
Afternoon comes with wind rushing.
Afternoon comes with football scoring.
Afternoon comes with the kettle bubbling.

"Simile miracles" by Wills Holmes

The Sun is like a beach ball thrown
high in the sky, it shines
like a smiley face.
The moon is like a smiling face but
It has been tilted to the side.
The Rain is like a lot of God's tears
coming from grey clouds like
God is in every cloud in the sky.
