**Celebrating the Harvest-
Harborough Apple Day:
See p11**

'The sower and reaper rejoice together'.

I was pleased to see this summer that the England cricket team have reached the top of the world rankings when only a few years ago they were at the bottom. The team have put much of this success down to hard work, dedication and focus and they now hope to stay at the top!

In contrast we have also seen this summer the riots in the streets of our major cities including Leicester and London and the resulting distressing images of people forcefully taking goods and burning property belonging to those who have put in hard work, dedication and focus to build their businesses and lives. Sometimes a lifetime's work can be destroyed in hours and a life can be destroyed in minutes.

Jesus told us that even if we could not remember all the commandments, then at least remember the two most important. 'You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.' And 'You shall love your neighbour as yourself. On these two commandments hang all the law and the prophets'. Thinking of others brings a respect for each other and seeking God with the help of

Christ's teaching inscribes goodness on our hearts.

This harvest we will celebrate the hard work and dedication of our farming community and our working community and give thanks for what we have, whilst in turn we bring gifts that can be distributed to those who have little and are suffering, through charities like the Red Cross and Fareshare in Leicester.

Harvest festivals are inherited from the Jewish Feast of the Tabernacles which celebrated the hard work and dedication providing food and gave thanks to God for his providence, whilst remembering the times when there was very little food. The Old Testament instructed farmers not to reap to the very edges of their fields so that those who had nothing could have access to crops. We see areas of our world today, especially in East Africa where famine is widespread and people are starving.

Our Harvest services and our Harvest suppers are times of thankfulness and celebration, but also a time of giving to those who have little.

See the dates and times for services and suppers in this issue of the Hexagon.

In Memoriam

We were very sorry to hear that Mr Norman Carter had died. Norman was a long term resident of Husbands Bosworth (over 50 years) until his move with his wife Hilda to Market Harborough. Both Norman and Hilda gave many years of dedicated service to All Saints, Husbands Bosworth where Norman was Churchwarden undertaking many roles in the church and Hilda sang in the choir and organised many church activities. Our prayers are with Hilda and family and our thanks to Almighty God for the gift of Norman's life and the way that he led that life, may he be safe in God's arms.

"God be in our heart and in our thinking. God be at our end and at our departing".

Tracing the Loseby Family in Arnesby: John Loseby left "by will dated 1668; to the use of the Town of Arnesby twenty pounds: also to the poor of this Parish seventy pounds." This is inscribed on a memorial in St Peter's Church tower. A stained glass window was erected in the church by the Trustees, the recipients of his charity and others in 1874. Roslyn & Graeme Allan visited Arnesby whilst on a brief visit from Australia to trace Loseby family connections in Leicestershire. One of Roslyn's Loseby relatives left for Australia in the first half of the 19th century. Roslyn & Graeme are pictured below next to the memorial.

The Loseby Trust administers the land now used as allotments and the new wood and wild-life area in Arnesby.

Barn Dance at Seal's Farm in July: A very enjoyable way to spend a summer evening, and raised £450 for St Mary's Church. Don't worry if you missed it—the Baker family has provisionally kindly offered the same venue for a similar event at around the same time next year!

Heritage Group: It's never too late for Hexagon readers! An Arnesby resident has sent us information that answers our question regarding the Bruntingthorpe Victor Friendly Society (March 2010). The Society was formed in 1828 to provide members with sick pay and funeral money in return for their subscriptions. On the advice of the Actuary, it was dissolved in 1904 following a vote by the 44 current members and the funds of £254 shared out. *Mary Arkell maryarkell@tiscali.co.uk*

Celebrating the Harvest—Harborough Apple Day:

In October gardens will be full of apples ready for harvest. To celebrate this abundance, Harborough is having its first Apple Day, organised by the Transition Town Group.

Don't feel guilty about apples on your tree not being used—why not bring them along to this community Apple Day on

Sat 29th Oct from 1-4pm at the Methodist Church Centre, Northampton Rd and make them into delicious apple juice? There will be people to help as well as spare apples. If this entices you, come along to a preliminary event at Lubbenham Straw Weekend 9th-10th Sept as the apple press will be in use on the Green.

The Transition town Group are organising events as part of an ongoing commitment to promoting a more sustainable low carbon community life-style in Harborough. If you want more information about the day or want to volunteer your time, help and enthusiasm then contact Gillian/Mark Baverstock on 01858 465653.
