"GABLE END"  
MILL HILL ROAD  
ARNESBY  
LEICESTER LE8 5WG

23<sup>rd</sup> January 2010.

## Neighbourhood Watch.

At our Council meeting, we were addressed by Mr Martin Reynolds who organised and runs the 'Scheme' in Shearsby.

He explained how he had brought it into the 'Computer' age, where all who can be, are linked by the internet and information good or bad is transmitted instantly. People without internet are informed by other means as soon as possible.

The also run a scheme where 'Cold Calling' is banned.

**If anybody is interested in starting a scheme in Arnesby, he is willing to advise and help. Please contact a Councillor.**
