Power Cuts & Western Power

The latest power cuts, in the past week, were apparently caused by Western Power replacing some really old equipment and cables at Arnesby South Substation at the bottom end of the village. Thanks to Kate Mills for the info.

ARNESBY VILLAGE HALL TRUST

CHAIRPERSON NEEDED

I have been chairman of the Management Committee of Arnesby Village Hall for more than 40 years. I have seen the Hall develop from a corrugated iron building with a single tap and outside pan toilets to the splendid present day structure which we enjoy as a focus for the social life of the village.

I have decided that it is time for me to hand over the reins. I will resign formally at the 2022 AGM – which will give time for a smooth handover. My hope is that someone in the village would like to take over as chair person.

I suggest that anyone who might be interested in the role, contacts me to find out what the job involves. Any prospective candidate would need to be proposed and seconded by Trustees on the Management Committee. If more than one person is nominated the decision would be made by a secret ballot of the Trustees.
